RG104 E-1 Box 130

The Mint of the United States,

PHILADELPHIA, PENN.,
Assay Department, Feb. 6, 1884

Sir.

In regard to the overcharge referred to in the director's letter of the 5th Inst., I have only to say that I imposed the regular charge of 4 cents per oz for parting, because the deposit came under my hand not as Coin, but simply as "St Louis Bars." This is all the description furnished in the Weigh Clerk's report upon which the Assayer puts the fineness and charges. I had no knowledge of the fact that the bars were melted from coin.

Very respectfully
